

March 2020

Craig & Derricott Ltd

Supporting our NHS, Rail and Critical Services

Please be advised that Craig & Derricott Limited have been identified and authorised as "having a critical role in maintaining; rail, NHS and government continuity interests in support of third party organisations" and will therefore be continuing to trade at full capacity for the foreseeable future, despite lockdown implementation.

This is in accordance with Her Majesty's Government definitions, included below for convenience.

Public safety and national security

This includes police and support staff, Ministry of Defence civilians, contractor and armed forces personnel (those critical to the delivery of key defence and national security outputs and essential to the response to the COVID-19 pandemic), NHS, fire and rescue service employees (including support staff), National Crime Agency staff, those maintaining border security, prison and probation staff and other national security roles, including those overseas.

Due to the evolving nature of Coronavirus, Craig & Derricott Limited have implemented a number of changes within our organisation (in line with government recommendations). First and foremost, to ensure the safety and wellbeing of all employees along with our valued suppliers and customers.

I am pleased to confirm that due to the above clarification from government sources along with our preventative actions, we continue to trade at almost full capacity.

If we can be of any assistance, please feel free to reply to this email or contact a member of our sales team or management team who will be able to assist.

Warm regards
