

# Fire Rated Enclosed Switchgear

CDPD214

Issue 1

## Product Introduction

Craig & Derricott offer one of the most extensive range of Fire Rated Switchgear in the market.

These switch-disconnectors are installed near to the extraction fan for isolation purposes, and have been tested in conjunction with the fan equipment to meet the stringent thermal requirements of BS EN 12101-3.

When using enhanced fire resistant power cables, please check gland sizes to suite the required product
