

Dear valued customer

In our commitment to transparency and compliance, Craig & Derricott wishes to reassure you regarding the origin and composition of the goods we supply.

Our products do not originate from Russia, and do not incorporate any inputs originating in Russia, therefore Craig & Derricott comply with the following Regulations where applicable:

EU Regulation - EU amended Council Regulation (EU) No. 833/2014	Update M25 - 23/06/23
UK Regulation - The Russia (Sanctions) (EU Exit) Regulations 2023.	Update No.5 - 01/01/24

Particular attention has been made regarding the importation, directly or indirectly from Russia of iron & steel products as detailed in *Annex XVII of EU amended Council Regulation (EU) No. 833/2014 & 46IA and 46IB, and Schedule 3B of The Russia (Sanctions) (EU Exit) Regulations 2023.*

For further details on the EU & UK Regulations, please review the below links:
